Attending: Carol Aron, Debra Rudd, Amarissa Wooden, Gene Wooden, Todd Landsburg, Patrick Myers, Thomas Lankford, Patrick Bringardner

Recap last two races

Budget & Money

- Profit/loss

Net income to date (not including much of Circle the Bay), \$3,213.04.

- Merchandise – socks?

Patrick has been looking into getting socks. \$7 a sock, two sizes, so easy to order. Could be swag or prizes. Could also sell.

Gala Update

Website set up so can purchase tickets – two prices, one for couples, one for singles. Credit card charges to purchaser. Deb has tons of silent auction prizes, still waiting on some more. Deb is working on posters. Amarissa has sent out an e-mail to participants announcing it – people can sign up by clicking through the e-mail.

Recognize: Long term members (Pete), race directors. Give everyone a single rose – 20's and cheap.

2019 Planning

- Race dates
- Marketing
- Fliers

Pricing structure – could change so cheaper to sign up on-line. Increasing online registration – and decreasing race day registration would make morning registration a lot smoother.

Circle the Bay – Patrick is going to take over. Probably do a marathon next year. Patrick is interested in sending an e-mail to past participants letting them about next year and asking for suggestions. If do marathon, would run it backwards to how we do Circle the Bay so do the bridge first and start at 7 so less traffic. Subcommittee to discuss next year's race.

Webscorer/2nd Tablet

If got 2nd tablet, could Bluetooth results so could do results with 2nd tablet. But if we go for a timing device, we may not need a 2nd tablet. Decided to hold off on the purchase of a 2nd tablet until we decide what to do with a timing system. Coquille Tribal Community Fund is open now – could put in a grant for the timing system.

Carol & Amarissa will get together to set calendar for 2019. At next meeting, we will go over and set pricing. Focus on that next month.
