Received two scholarship applications. Michelle and the readers will review shortly.

Marketing

E-mail push about upcoming races and the Gala. Also update about events thus far and charitable

Money

Amarissa has updated books. Will be some minor changes. She requested electronic statements some time back, but they are still sending hard copies and charging \$10 a month. She will go in and ask them to switch and for a refund.

Training more people in Webscorer

Give people numbers on Wednesday night run and have people who are interested learn how to use the tablet. They should watch the how-to video first.

Race recap and look forward

Roseburg to Coos Bay:

Went very well. Donated approximately \$3,000 to Camp Millennium, about \$1,000 more than last year.

Fliers for upcoming races: Would be great to have 1 flier for Triple Crown races. Also, start on flier for Sunset race.

First Community Credit Union has a blow-up finish line thing that we can borrow.

Triple Crown

Amarissa looking into getting magnets to put on the back so folks can hang them together.

We got rejected for this year's Hospital grant because we didn't send in a report for 2018 grant. Deb will follow-up to see what they need. She did send a thank-you and pictures. There was not a form to fill out for follow up that she was aware of.

Circle the Bay

Is the sidewalk crossing the McCullough bridge. going to be open in August? Important to check. Patrick Myers can help with that race.

Sunset Trail Run

Patrick requested that people start getting swag for the race. He's looking into getting good quality shirts.

Mac's Run

We didn't get the gazebo. Will set up a tent in the grassy area.

Christmas Lights Run

Carol will look into a new venue (history museum?) and have it be a potluck. Date: December 18.
