

**SCRC Meeting  
Annual Meeting  
December 18, 2019**

**Attending:** Michelle and Brian Allen, Chris Amaral, Carol Aron, Dale Barrett, Patrick Bringardner, Lawrence Cheal, Patrick Myers, Todd Landsburg, Francisco Rojas Ledesma, Kent Sharman, Amarissa Wooden, Gene Wooden

**Race Review and Preview:**

Amarissa thanked everyone for a very successful year. The club finished in the black. All accounts have not closed yet, but the balance is approximately \$8,291.79. We donated nearly \$7,000 to local charities and the scholarship in 2020.

We plan to put on the same races this year as last. Roseburg to Coos Bay Relay will finish at the Coos History Museum. Amarissa has paid for a license to have music for that race and Circle the Bay and is organizing a celebration dinner.

Nick Furman offered to be the Race Director for the Prediction Run. It will probably be held in February or March and may start at the Railway Museum or the Coos Bay History Museum.

**Scholarship Fund:**

The Gala raised about \$700 for the scholarship fund. There is approximately \$8,360.34 currently in the scholarship account.

The new website (see below) will have a page for the scholarship and information highlighting the 2019 awardee.

**Website Update:**

Amarissa, Francisco, and others from EPUERTO have been working on a website update to make it more user friendly, better show our sponsors, and have easily accessible pages for things like the scholarship. It should come online January 1.

**Board Members Vote:**

Current board members

President: Amarissa Wooden (term expires 2020)
