Races

Mac's Run

Jen will do hand-made prizes for all finishers as usual. We will plan to have awards out and label them with people's names rather than having people around for awards to maximize distancing. Individually wrapped snacks with people handing them out. Masks required when near people (registration, start, finish, when passing or being passed. We will plan to have a bonfire unless Covid numbers keep going up, in which case we may not want a place for people to gather.

*Todd will ask Francisco to design something to put on the leaderboards to advertise & put on social media.

* Extend race registration until 9 PM.

Online only for Mac's, Bullards, and Run of 2 Cities. Jessica Engelke interested in helping with Run of 2 Cities. We can revisit as the year progresses and maybe move to in-person registration.

Triple Crown could be Run 2 Cities, Fire-Cracker, July Jubilee. Hopefully North Bend could front some more of the cost.

Turkey Trot – open 9-11

Carol will e-mail waiver to Amarissa to send to Chris Amaral.

Christmas lights run-Saturday December 19 at 4:30. We decided we might get more people attending on a Saturday afternoon than after work on a Wednesday.

Hot cider & Hot cocoa & cookies. Get logo mugs to give to people.

Membership

Amarissa is going to mail the cards with a Christmas card to the membership this year. Will send to 2018-2020 members.

Plan on a big membership push at Mac's run.

Put Wed. night run – meet at 6:00 at the Pre-mural back on the website (Note post-meeting, I will wait at this point until the Covid numbers go back down). Run at 6:15.

Next Meeting December 6 by the fire pit to get all of our ducks in a row for Mac's.
